## ABOUT ME

Bachelor of Computer Application graduate with strong organizational skills and a responsible mindset. Completed an internship and currently mentoring freshers, helping them grow through hands-on guidance and learning support.

## OBJECTIVE

Detail-oriented junior front-end developer with a BCA degree and expertise in HTML, CSS, JavaScript, React.js, GitHub, GitLab and Git. Passionate about delivering seamless user experiences and high-quality code. Seeking an entry-level role to contribute to innovative solutions and further enhance front-end development skills.

## WORK EXPERIENCE

**Front-end Trainer**                                    **Blue Tick Coders | Nov 2024 - Apr 2024**

- Mentoring freshers with practical guidance on coding standards and best practices
- Supporting their transition into professional developer roles
- Designing layouts and posts using Canva for social media and presentations

**Intern - Junior Front-End Developer**                      **Zepic | Aug 2023 - Apr 2024**

- Gained hands-on experience in HTML, CSS, JavaScript, React, Tailwind CSS
- Contributed to bug fixing and enhancements in live products
- Developed and maintained live Webflow websites and created demo Shopify websites, ensuring responsive design and performance.

## EDUCATION
